OFFICE OF PETITIONS

In re Application of	:	
William D. McKay et al.	:	DECISION ON PETITION
Application No. 10/755,494	:	UNDER 37 C.F.R. §1.28(c)
Patent No. 6,981,291	:	
Filed: January 12, 2004	:	
Issue Date: January 3, 2006	:	
Attorney Docket No. RBD-120-A	:	
Title: MOTORIZED CLEANING	:	
APPARATUS	:	

This is a notice regarding your request for acceptance of a fee deficiency submission under 37 C.F.R. §1.28(c).

37 C.F.R. §1.28(c)(2)(ii) sets forth that the party submitting the deficient payment must include:

- (a) Each particular type of fee that was erroneously paid as a small entity, (e.g., basic statutory filing fee, two-month extension of time fee) along with the current fee amount for a non-small entity;
- (b) The small entity fee actually paid, and when;
- (c) The deficiency owed amount (for each fee erroneously paid); and
- (d) The total deficiency payment owed, which is the sum or total of the individual deficiency owed amounts set forth in paragraph (c)(2)(ii)(C) of this section.

Petitioner has submitted the type of fee that was erroneously paid, the deficiency owed for the fee, and the total deficiency payment.

However, Petitioner has failed to identify the small entity fee which was actually paid, or when said fee was paid. Since this portion of the C.F.R. requires these identifications, the request cannot be accepted.

The petition under 37 C.F.R §1.28(c) must be **DISMISSED**.

Any reply must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 C.F.R. §1.136(a) are permitted. The reply should include a cover letter entitled "Renewed Petition Under 37 C.F.R. 1.28(c)". This is not a final agency action within the meaning of 5 U.S.C 704.

The renewed petition should indicate in a prominent manner that the attorney handling this matter is Paul Shanoski, and any renewed petition may be submitted by mail¹, hand-delivery², or facsimile³.

Telephone inquiries regarding *this decision* should be directed to the undersigned at (571) 272-3225. All other inquiries concerning examination procedures or status of the application should be directed to the Technology Center.
